Login

A login form with a white background and a light gray border. It contains two input fields and a login button. The first field is for the username, with a user icon on the left and the placeholder text 'Enter your Username'. The second field is for the password, with a lock icon on the left and the placeholder text 'Enter your Password'. Below these fields is a blue button with the text 'Login' in white.

Model Baze Podataka

Zadatak – Zaključak

Zadatak implementacija:

Modela baze podataka, REST servisa, Kontrolera, HTML stranica i na kraju da se povezu u jednu celinu.

Zaključak: Web-shop je MVC (ModelViewController), MVC deli aplikacije na tri različite komponente i definiše njihove međusobne interakcije.
